## How to register your product

The screenshot shows the Dell Digital Locker website interface. At the top, there is a breadcrumb trail: "Support > Software". The main heading is "Dell Digital Locker". Below this, a welcome message reads "Welcome to Dell Digital Locker" followed by a paragraph: "The Dell Digital Locker allows you to view and manage your products, software, and licensing information in one location. You can:". A bulleted list follows, detailing capabilities: "Download purchased software", "Access licensed software products", "Download updates and patches", "Manage user and product groups", and "View software license entitlements". A link for "Quick Start Guide" is provided. Two buttons are visible: "Sign In" (highlighted in blue) and "Create an Account" (grey). Below the buttons, a note states: "Sign in with the Dell Account used at purchase or assigned to you." At the bottom, a navigation bar contains four links: "Product Support", "Trial Software", "Ownership Transfer", and "Order Support".

Your Order Includes:

Item Description	Primary ID	Quantity	Registration Code
<i>Products are shown here</i>			<i>Registration Code</i>

STEP 1

Login to the **Dell Digital Locker** with the email address from your purchase

Depending on your product, an order can have a single registration code or multiple registration codes

The screenshot shows the 'Dell Digital Locker' 'Product registration' page. A green callout box with the text 'Enter Registration Code' and a downward-pointing arrow highlights the registration code input field. The page includes a navigation menu on the left with options like 'Products', 'Order History', and 'Product registration'. The main content area contains instructions on how to use registration codes and a form with a 'Submit' button.

STEP 2

Open the **Product Registration** tab and copy and paste your registration code from your Order Confirmation email and Submit

Some products require additional information be provided when registering

The image shows a screenshot of a 'Software Registration' page. A green callout box with the text 'Complete your registration form' and a downward-pointing arrow is overlaid on the form. The form itself is titled 'Software Registration' and includes a progress indicator for 'Registration Code'. Below this, it says 'Codes you are registering' and 'By registering the codes above you agree to our terms and conditions. Please provide your name and assign your support location below.' The form fields include: First Name, Last Name, Company Name, Email, Confirm Email, Street Address (with a note 'PO boxes are invalid. Please provide a physical address.'), Country (set to 'United States'), State/Prov/Only (set to 'Select'), City, Zip Code, Phone Number, and How will the product be used? (set to 'Select'). A 'Continue' button is at the bottom of the form.

STEP 3 Enter required information for your registration

When your registration is complete you will see the product you purchased in you account

The screenshot displays the 'Dell Digital Locker' interface. On the left is a navigation sidebar with links: Products, Order History, Saved Searches, Users and Groups, Tools, Warranty, Product registration, and Help. The main content area is titled 'Products' and includes a search box with the following fields: 'Keywords', 'Category' (set to 'ALL'), and 'License date' (with 'From' and 'to' date pickers). Below the search fields are 'Submit', 'Clear All', and 'Save This Search' buttons. A table below the search area shows a list of products with columns: 'Product name', 'Primary ID', 'License date', 'Order number', and 'Details'. The first row of the table is highlighted, and a red annotation 'Product details shown here' points to it. The table also includes a 'GO' button and pagination information '1-10 of 16542'.

Once your product is in your account you will be able to access your license key and obtain any available downloads
